## Report of Principal and School Improvement Council

Clinton Elementary is committed to preparing students to become ethical and productive citizens by achieving excellence, embracing innovation, and forging new traditions. The staff, students, parents, and community focused on providing a positive and safe environment for all and promoting high academic standards and expectations for all students. Clinton Elementary earned a grade of "A" on the ESEA accountability system and was awarded Palmetto Gold and Silver for student achievement and growth.

Faculty and staff focused on providing each student an optimal learning environment. Individual student learning needs are determined through data-driven decisions in planning instruction. Teachers secure data from the utilization of Dominion Reading assessments, Palmetto Assessment of State Standards (PASS), Measures of Academic Progress (MAP), benchmark testing, and formative assessments.

The community is a vital part of the educational programs at Clinton Elementary. Clinton Elementary partnered with the Clinton Coalition for Youth Empowerment (CC4Y) to provide an after-school program for students. Students were involved in tutoring and recreational activities. A summer program is also available for students. The partnership with Presbyterian College continued as PC students provided learning experiences for Clinton Elementary students. Area businesses and organizations provided incentives for children based on academic performance, citizenship, and attendance. Local businesses and individuals participated in Careers on Wheels for students. Staff and students donated to the United Way, United Ministries, and the American Cancer Society.

The arts program at Clinton Elementary continues to provide students with an array of opportunities to develop and expand their talents. Honors Choir and Drum Corps represented our school and district at many community functions. Students participated in Art Club weekly. The school celebrated with a Fine Arts Night for the community and displayed art at Bailey Manor.

Students were afforded the opportunity to learn through field experiences. Field experiences included: Fifth grade trip to Jekyll Island, Fourth grade trip to Schiele Museum; Third Grade trip to the State House and Charleston; First, Second; and Fourth grade trips to Abney Cultural Center at Lander University; and Kindergarten trip to Callahan Farms and Riverbanks Zoo. Students also enjoyed local trips to the Joe Adair Science Center, Presbyterian College, Bell Street Middle School, and the Clinton YMCA.

Clinton Elementary will continue to provide the highest quality of education and be an advocate for all students by preparing them for future learning. We will garner support through a culture of continuous improvement driven by integrity, teamwork, and perseverance.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>81.9</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
